

## Written assignment

A. What is your profile?

Write your own CV. Consider the following items:

- Name, age, address and other contact details.
- Write a small summary about yourself and your present life (it must be short and very precise).
- Education (what and from where, make a list).
- Your reason for choosing your education/profession (short description).
- Previous work, work experience and qualifications (where and when, make a list).
- IT skills (short description).
- Language skills (short description).
- Personal and professional competences (what you are good at e.g. cooperative, innovative etc.).
- Hobbies and spare time activities, favourite books and music maybe.
- Future plans and dreams.
- References.

B. Describe your dream job
