

# Applicants

You are an applicant, applying for a job.

You have not sent in an application before the interview!

If you really want the job you need to consider carefully what impression you want to make.

## **Ideas as to what you might want to consider**

- Your name and age.
- Your family situation.
- Your experience in the trade.
- Any other qualifications you may have.
- Your strong/weak points.
- Your expectations regarding your salary.
- Overtime.
- Extra benefits like: working clothes, private tools, a mobile phone, a car, access to tools and machinery when not at work, in-service training.

You can be any person you want to be, as this is simply a task to make you think and talk, for real, in english!
