

My company/my work placement

Written assignment.

Your task is to describe your company or one of the companies where you were stationed in a work placement.

You are required to do the following.

- Make a presentation of the company.
- Describe it in terms of size, number of employees, and equipment.
- Describe the history of the company.
- Describe the business elements (authorised, independent and so on).
- Working conditions.
- Could this company win the competition “Workplace of the year”? Please state why/why not.
- You are required to include photos or illustrations in your assignment.

Remember that your paper must be a useful and inviting/attractive presentation of your company; one that you can use in the exam and one that can present your company/the company officially at your school.

It is a presentation product!

Please remember: everybody is to talk to their fellow students about their work placements based on this assignment.
