#### Forrest Gump – Chapter one

I was born an idiot – but I'm cleverer than people think. I can *think* things OK, but when I have to say them or write them down, sometimes they come out all wrong. When I was born my Mom named me Forrest. My daddy died just after I was born. He worked on the ships. One day a big box of bananas fell down on my daddy and killed him.

I don't like bananas much. Only banana cake, I like that all right.

At first when I was growing up, I played with everybody. But then some boys hit me, and my Mom didn't want me to play with them again. I tried to play with girls, but they all ran away from me.

I went to an ordinary school for a year. Then the children started laughing and running away from me. But one girl, Jenny Curran, didn't run away and sometimes she walked home with me. She was nice.
